INVITATION

For two years we have held our Annual Auction sales of the productions of Maxwalton Farms at Chicago in connection with National Shorthorn Week. Now we are back home on the farm and our patrons will have the opportunity to study our breeding herd, the sires that are in service and our methods of production.

That our work in improving the Shorthorn breed has met with success is attested by the large numbers of discriminating breeders who have attended our sales and the excellent patronage that they have given us. Frequent high awards at leading livestock expositions constitute another measure of our success.

Our offering for this sale consists of a select group of bulls, many of them promising candidates for top honors at future shows. The females are richly bred and we believe them to be the kind upon which successful herds may be founded. This offering again features the get of Browndale Cumberland and Browndale Conqueror and we are confident that those who attend the sale will agree with us that, until their death, these were the two greatest sires ever used at Maxwalton Farms.

We do not wish to praise our own cattle beyond their real merit. At considerable work and expense this catalog has been made most complete and informative. No statements have been made that are overdrawn. We cordially invite you to be with us on the day of our sale.

— Maxwalton Farms

E. R. Hartman — Wallace Campbell

This pair, both bred and developed at Maxwalton, won first prize in the class for pair of yearlings at the 1940 International Live Stock Show.

This group, sired by Browndale Cumberland, won first prize in the get-of-sire class at the American Royal Show, the International Live Stock Exposition and at all other shows where exhibited in 1940.

There Cannot Be Inertia

It is said that in business and industry there is no inertia. Either one progresses or his enterprise retards. In the breeding of pure bred cattle one must use only the best material that can be procured in order to be sure of making progress. Such material can come only from herds that have been built upon a secure foundation and have been developed and maintained by the use of the best bulls of the breed.

Such a herd is Maxwalton and, although its past has been a succession of glorious achievements, it is at present better than ever before and its productions cannot be excelled for building and improving contemporary breeding establishments.

The fifty-five beautiful young Shorthorns listed in this catalog are superior to any other offering ever made from Maxwalton. They are blockier, more compact and shorter legged than any that have been offered before from this famous herd and they are backed by such strong ancestry that their ability to reproduce this type is assured.

Wherever Shorthorn cattle are known, the name "Maxwalton" means quality. Every breeder, from the largest down to the smallest, recognizes the prestige in this name because they know that for a third of a century superior individuality has gone along with each animal bearing it. All that should be necessary to create a desire in YOU to own some of the animals that are to be offered in this 1942 auction sale is the plain statement that these fifty-five outstanding individuals are sure to add further prestige to the name "Maxwalton". — Hal Longley of The Shorthorn World.

Scions of the Perfect Nick

Browndale Cumberland 1883723, an International junior champion that exerted a potent influence upon Maxwalton herd in general and upon the cattle in this sale in particular. His sire was the famous bull Browndale Pilot, his dam, a beautiful daughter of Browndale Star.

Maxwalton Souvenir and Maxwalton Rosemary 5th, first prize pair calves in 1941. He was sold for \$2500.00 in our 1941 sale. She is a full sister of Maxwalton Jubilee one of the great young bulls in this sale. Both were sired by Browndale Conqueror, sire of the first prize "Get" at the principal 1941 shows. He is now dead and this sale presents the only opportunity to procure his get.

Sires That Have Become Famous

Browndale Conqueror 1912614, sire of the first prize "Get" at the leading shows of 1941. His sire was Browndale Pilot and his dam was a daughter of Browndale Star and of the same famous Lovely family that produced Browndale Cumberland. So, it will be seen that these two great scions of "The Perfect Nick" were bred almost exactly alike and each was and is famous as a sire.

These Great Sires
are Responsible for the
Top Quality
of this
Sale Offering

Maxwalton Alert, winner of first prize at the International Stock Show in 1939. Sire, Browndale Cumberland. We refused many strong offers for this grand young bull in order to retain him for our own use. This sale offers the first opportunity to secure his get. We consider him to be better even than his famous sire.

Klaymor Extra has brought new blood to Maxwalton and we look for further improvement through his use. His sire is the famous Collynie Royal Barrage. In October five bulls by this famous sire were sold by auction for an average price of \$2160.00 and three heifers brought an average of \$1516.67. The dam of Klaymor Extra is by the great Millhills Ransom (Imp.), next to Collynie Royal Barrage the greatest sire that has been used in Canada in recent years.

Maxwalton Souvenir topped our 1941 sale, going to Dr. E. S. Findlay of Mansfield. We retained a half interest and he has been used liberally at Maxwalton and his service will be a feature of this sale. Browndale Souvenir is a son of our noted sire Browndale Conqueror and his dam is a beautiful rich red cow by the Congress champion Melba Minstrel. His dam's dam was sired by the International junior champion Calrossie Lord Rothes (Imp.) and was out of the Duthie Webster bred Collynie Fairy Ring (Imp.).

Maxwalton Nonsuch, top bull in our 1940 sale but now owned by us in conjunction with Glenn Leigh Farm, Mansfield, Ohio. He has proven a great sire and this sale contains several of his get that we know all visitors will like. Maxwalton Nonsuch is the best bull that was calved in 1939. He is richly bred in Browndale blood, his sire being our noted Browndale Conqueror and his dam being by the famous Browndale Captain by Browndale Count. He inherits the best characteristics of the Browndale dynasty.

Somebody Tells Somebody Else

and the demand
for

Maxwalton Shorthorns

increases

If we were to publish a list of all herds that have been improved through the use of Maxwalton bred bulls and females, this list would contain the names of the recognized leaders in the industry in nearly every state in the Union. Most of these cattle have been sold because "Somebody told somebody else" of their success with Maxwalton Shorthorns. We are confident that the fifty-five head that will be sold in this sale will bring greater honor and profit to their new owners than any group we have ever offered. All of the young cattle that ordinarily would have been fitted for show will be sold and every heifer of breeding age is well along with calf by one of our best bulls. We cordially invite you to attend.

WESTERN BUYERS PLEASE NOTE

You can buy at this sale and take delivery either at the farm or in Chicago, Illinois. We have arranged to ship a car to Chicago immediately following the auction without any cost to the purchasers.

Also we guarantee to arrange for delivery of cattle bought at this sale.

Vinton, Iowa, Sept. 15, 1942

Maxwalton Farms
Mansfield, Ohio

Gentlemen: At your June sale last year we purchased Lot No. 8, Maxwalton Red Baron, one of the top selling Bulls of the sale. We are dropping you this line to say, that, now as a two year old, he has developed into an outstanding herd sire, having retained all the good points mentioned in his write-up in your catalogue of last year and altho we have not kept him in show condition he is one of the smoothest bulls we have seen.

We now have nine calves by him of which seven are solid reds and two very good roans. We are enclosing a snap shot of the first two calves which we believe shows the excellent quality and type of the calves we are getting. We are now interested to see what these calves will be like as yearlings.

Very truly yours

Urice Brothers

(Logan Urice)

Will you kindly place our names on the mailing list for this Fall Catalogue as some of us want to make the sale if possible.

MAXWALTON DIRECT

Maxwalton Direct — Although all fourteen of the bulls in this sale are exceptionally uniform in their compactness, depth, shortness of leg, and all are of uniformly high quality, we believe Maxwalton Direct to be our "headliner" bull. Not only do we feel that he is the best herd bull prospect we ever offered for sale, but we are also rather sure that no better bull will be offered anywhere this year. This bull analyses perfectly. He is a solid red in color. He had a head and horn that cannot be faulted . . . the kind of head that gives absolute assurance that he will pass on to his calves all of his superior characteristics. He is beau-

tifully balanced, exceptionally thick and blocky and very short legged. He is level in his lines, has a remarkable spread of rib, smooth shoulder, full heart girth and his underline is absolutely straight. Looking at him from the rear one sees a remarkable depth of quarters and twist, a rump that is as smooth as can be found, exceptional width across the loin and legs that are placed well out of the corners of a blocky body. Maxwalton Direct is a son of Maxwalton Alert, a first prize winner at the 1939 International, he a son of Browndale Cumberland. His dam a beautiful roan cow was junior champion at the Ohio State Fair and her sire, Maxwalton Pure Gold won many grand championships. We feel that Maxwalton Direct is the "Opportunity Bull" of the year 1942. Fortunate indeed will be the man who owns him.

MAXWALTON MATADORE

Maxwalton Matadore—This red son of Maxwalton Alert is out of the good roan cow Maxwalton Simplicity A by Browndale Vanguard. As a heifer she was exhibited with Maxwalton Pure Gold in class for pair of yearlings and won first prize at the International, as well as at all state fairs where exhibited. Prospective buyers will be impressed by the well shaped head and the light, well turned horn displayed by this bull. He is short coupled, compact, has wonderfully full quarters, a smooth rump and displays the bone and substance that we all admire.

MAXWALTON GOLDEN GLORY

Maxwalton Golden Glory—When we say that he is out of the same dam as Maxwalton Harvester, nothing more need be said because Maxwalton Harvester is now in service in the famous Tomson Bros. herd. Maxwalton Golden Glory is a dark red son of Maxwalton Alert and he is certainly one of the shortest legged and blockiest bulls that will be sold this Fall. Jeff Scarth, our well known herdsman, recommends this bull very highly. The dam of Maxwalton Golden Glory is one of the thickest, shortest legged cows in the Maxwalton herd.

He is a son of Browndale Conqueror by Browndale Pilot, his dam was by the Iowa champion, Fascinator by Browndale Goldspur and his granddam was a daughter of the International grand champion Collynie Clipper Star. His dam is one of the very best cows in our herd, a tidy, blocky individual with a very sweet head. This same family produced the great young bull Maxwalton Proud Emblem that won many junior championships and that was purchased by the University of Illinois. There's real quality and modern type in this calf.

Maxwalton Nominee — If you are looking for style and quality, you will certainly find it in this bull. He was not trained sufficiently to pose in front of a camera, so we cannot show you his picture in this catalog. Notwithstanding this fact, we feel that this dark red son of Browndale Conqueror is one of the most promising prospects we have ever offered. He is perfectly balanced, has the width, depth and thickness of a champion and the head of a real sire. We realize that this calf is too young to sell to best advantage, but we know he will make a great record as a sire. Look him over and then inspect his sister, Maxwalton Clipper Countess, also in this sale. You will be thoroughly convinced.

MAXWALTON CLARION

Maxwalton Clarion—This bull appears to be solid red but he is really a perfect dark roan in color. As his picture shows, he has a wonderful head, a level back, is very smooth, well balanced and short legged. Maxwalton Gallant — Here is a bull that is ready for heavy duty and he is one of the thickest and most level lined bulls in our offering. If you are looking for a ready-for-service bull that is short legged, perfectly square, well filled over the heart, deep in the quarters, and good headed, this bull will fill your order. MAXWALTON PREMIUM

Maxwalton Premium — This bull is a full brother to Maxwalton Souvenir, owned jointly by Dr. S. E. Findley and Maxwalton Farms. In view of the fact that the first calves by Maxwalton Souvenir proved him to be one of the best sires ever used at Maxwalton, we do not have any hesitancy in recommending Maxwalton Premium very highly. This bull is burly, rugged and heavy boned, but he combines smoothness, quality, short legs and deep quarters with these desirable characteristics. Great calves will be an absolute certainty through the use of Maxwalton Premium.

MAXWALTON ELEMENT

Maxwalton Element—There is every reason to believe that this bull will prove a valuable sire. He is a full brother to Maxwalton Gold Standard, chief stock bull in the Carobil herd. He is also out of the same cow as the bull that heads the Isler herd, and a beautiful red cow out of the same dam is one of the top members of the Conner Prairie herd. We exhibited this bull successfully as a junior calf and he has developed into the right kind of a yearling. He is ready for heavy service and should head a strong herd. His pedigree deserves very careful study.

MAXWALTON COMET

Maxwalton Comet represents the Browndale Conqueror-Browndale Captain blood combination and he is a full brother to Maxwalton Nonsuch, the bull we own in partnership with Mr. Glenn Vinson of Mansfield, Ohio. We consider the dam of this bull one of the very best cows in the Maxwalton herd. ORANGE BLOSSOM 75th and
Calf ORANGE BLOSSOM 77th

ORANGE BLOSSOM 77th

Orange Blossom 75th and Orange Blossom 77th — We are using two pages in this catalog to properly feature this “three-in-one” lot. It is somewhat unusual for any breeder to offer a cow with a nine months old calf at side and even more unusual when the cow is a top breeding matron, and the calf is a top show prospect. So that those who read this catalog will know all about this feature offer, we have printed two pictures on this page . . . one of the cow with calf at side and another picture showing the calf by herself. The cow is a daughter of Imp. Bra-with Boy and she was the top junior heifer of all the Canadian sales the year she was sold. Her dam was imported and sired by Millhills Author, a full grandson of Max of Cluny. This cow is seven years old and she is now carrying her sixth calf. The nine months old heifer calf that will sell with her as one lot was sired by Browndale Conqueror and this calf would have been a blue ribbon winner in the junior calf class at 1942 shows. The cow is due to calve again in February to the service of Maxwellton Nonsuch.

Again we say that it is somewhat unusual for any breeder to offer such a breeding plant as this. A better “three-in-one” group has never been offered in the American sale ring. Who will be the fortunate new owner of this outstanding daughter of Bra-with Boy with a nine months old show heifer calf at foot?

MAXWALTON CLIPPER W 6th

Maxwalton Clipper W 6th — Here is the summer yearling heifer from our 1942 show herd and we think she is one of the choicest females we have ever sold. You will marvel at her depth of body and shortness of legs. She is wide in front, carries her width all the way back and is very closely coupled. When you note that this heifer is bred almost identically the same as Maxwalton Direct, the "headliner" bull in this offering, you will appreciate fully the wisdom of placing such a heifer in your herd. She can be recommended most highly.

Maxwalton Rosemary 6th — This is the senior heifer calf from our 1942 show herd and we are proud of her. She is perfectly smooth, has the head of a real brood cow, is level, deep, well filled over the heart and remarkably smooth at the rump. This beautiful heifer is out of the same Browndale Captain cow that produced the bull now in service in the herd at the University of North Dakota. She is the kind you need if you are anxious to build a top herd.

This is a grand producing family. This heifer is as thick, blocky and compact as anything in the sale and she is in calf since Feb. 26th to our great young International first prize winner Klaymor Extra by Imp. Collynie Royal Barage. She will calve right after the sale and the calf should be very valuable.
